4. MATTERS REQUIRING A DECISION

a. S.23/2268/AFPA - Erection of a hay and machinery storage building. Castle End Gloucester Road Painswick.

The Parish Council Objects to this application as it is considered disproportionate in size to its considered needs, it is also very concerned that the proposed storage building will have an overbearing and unsightly detrimental effect on the ANOB.

The Council note that the agricultural field currently appears to have numerous large areas of scrap metal scattered around it.

The Council is concerned about any potential environmental damage that the proposed building might cause and would ask that the LPA requests an Environmental Impact Statement.

Finally, the Council would like an assurance that the other out building and polytunnel is compliant with the LPA.
